

Work Health and Safety Policy

1. Purpose

AAMC Training Group is committed to providing quality training and assessment in accordance with the Standards for Registered Training Organisations (SRTOs 2015). As such, AAMC Training Group is required to comply with relevant Federal, State and Territory laws, including that relating to Workplace Health and Safety.

The purpose of this policy is to ensure AAMC Training Group complies with WHS/OH&S Acts, Regulations and Codes of Practice and regulatory requirements that are relevant to its operation and Scope of Registration in each State and Territory within Australia.

2. Policy Statement

AAMC Training Group is committed to providing a learning environment which is free from safety and health hazards and that all staff, clients and visitors are fully informed of these safety and health requirements including Emergency Procedures that affect their duties or participation in vocational education and training.

AAMC Training Group will:

- Provide staff, clients and contractors a safe and healthy learning environment;
- Provide a safe and healthy workplace to allow all our employees to perform their tasks to their maximum potential, safely and efficiently; and
- Comply with relevant laws, regulations and standards.

3. Policy Principles

3.1 Underpinning Principles

- a) AAMC Training Group uses a consultative and participative approach with employees regarding Workplace Health and Safety.
- b) AAMC Training Group considers **Risk Management** a top priority in all activities on and off site and WHS is a key element of this risk management. Communication within all levels of the organisation ensures everything from clearly marked exits to spill signage and evacuation plans form the basis of a comprehensive approach.
- c) The Directors of AAMC Training Group conduct bi-annual Safety Risk Audits and enter any identified Actions into the **Continuous Improvements Register**. This includes an Action Date and a Date Closed so that the Administrative Officer can follow up any issues with Directors.
- d) AAMC Training Group at all times plans for and monitors its employees and clients wherever they are working.
- e) Evaluation of WHS matters are discussed in the regular meetings.
- f) AAMC Training Group provides ergonomic equipment at all times.
- g) Safe use of equipment is discussed at regular staff meetings.

- h) Environmental protection is a AAMC Training Group concern including disposal of various types of materials from the administrative areas to industrial waste where relevant.
